## Conditions

By signing the membership form, the person listed on front agrees to the following terms and conditions:

1. **The member is in the possession of a valid Union-card during the membership term.** If this is not the case, the member will be held liable for any related penalties.
2. The member must pay a membership fee. The amount of the membership fee is determined at the yearly 'Algemene Ledenvergadering'.
3. The membership is effective from the signing date of the membership form. The membership fee for the (remaining) academic year is proportional to the duration (calculated per quartile) of the membership in that academic year. If a member has not unsubscribed in writing before the 1<sup>st</sup> of August, the membership will be automatically prolonged for the duration of one academic year.
4. In case of a direct debit, the membership fee will be collected once a year. Termination of the membership during an academic year gives no right to a refund or exemption of (part of) the (paid) membership fee.
5. Members train at their own risk.
